

# Walk Across Minnesota to End Hunger August 2 through September 1, 2014!

## WHY?

- 1 in 10 people are at risk of missing a meal on any given day
- 1 in 6 Minnesota children are at risk of hunger every day

**Goal: \$30 Million to End Hunger in Minnesota**

## HOW?

- \* Donations to the “Minnesota Miracle” will be used to end hunger in Minnesota through a Donor Advised Fund provided to nonprofits to complete the mission to end hunger
- \* Gary Fitch’s Minnesota 300-mile journey will begin in International Falls, walking to Duluth and from there to the State Fair in St. Paul on September 1!
- \* Donate and walk with Gary on his journey. Come with family and friends on September 1 to finish the last 12 miles from White Bear Lake to the State Fair in St. Paul or join the walk for a couple of miles along the way to be a part of the “Legacy” of ending hunger in Minnesota!
