To Whom It May Concern:

Second Harvest Heartland is honored to be a partner in the Minnesota Miracle, Gary Fitch's work to eliminate hunger in Minnesota. Gary is an inspiration and his work is just beginning, but will live on for years to come. We hope that you join in to reach his goal of \$30M a reality!

We will be partnering with Gary over the next year to provide a helping hand in as many ways as possible to create a movement up to and during his walk across Minnesota in April – May of 2014 from International Falls to the Capitol building in St. Paul.

Gary embodies that notion that one person can make a huge difference in the lives of our neighbors. We hope he can share that message with hundreds of thousands of fellow Minnesotans so that they, too, can support a community where children never lack the meals necessary to thrive. We want to thank Gary for his dedication to hunger relief and his heart-felt efforts to eliminate hunger in Minnesota, the Minnesota Miracle.

Sincerely,
